

Instructions for Vision Voucher Requests

***The main requirement highlights are:**

1. The patient has not received assistance from VSP in the past 12 months.
2. The patient is not eligible for a VSP Voucher if already covered by Government or Private Insurance.
3. Must meet 200% of the Federal Poverty Level. Each voucher has some additional qualifications, but these are the main things.

Filling Out the Form

***There are Three Levels of Support. Indicate, when asked on the form, which one you are requesting.**

1. The Sight for Students Voucher covers exam and glasses for students aged 19 and under.
2. The Materials Only Voucher covers just materials
3. The Full Coverage covers Exam and Glasses. These VSP Vouchers are only copies and are NOT USABLE. Please read over the requirements completely as VSP can reject the Voucher if the patient does not meet all criteria.
